

PermaPro Cleaner-Degreaser

PRODUCT DESCRIPTION :

PermaPro Cleaner-Degreaser is a water based, nonflammable degreaser and cleaner for use on all surfaces that can be cleaned with water.

PermaPro Cleaner_Degreaser is used to clean metal parts, greasy surfaces on floors, counters, equipment and all industrial applications where a nonflammable degreaser and cleaner are required.

HOW TO USE:

Spray on the cleaning solution to thoroughly wet the surface. For heavy accumulations, agitate with a scrub pad, or brush.

BENEFITS:

- Non-flammable and noncombustible PermaPro Cleaner-Degreaser will not burn even when soaked onto rags or other absorbent material. Even the concentrated product is completely nonflammable. It is the ultimate safety cleaner.
 - Non-corrosive. PermaPro Cleaner-Degreaser is non-corrosive to steel and will not attack aluminum at the standard 1:5 dilution. It is pH controlled and contains special corrosion inhibitors.
 - Penetrates and Removes Grease. PermaPro Cleaner-Degreaser works much more efficiently than typical emulsifier degreasers. It penetrates through the greasy soil and breaks the bond at the surface. Thus the greasy film is lifted off completely, and the surface is left clean with no oily film remaining.
- Just apply, let it penetrate, and flush the surface clean.
-

PROPERTIES and STORAGE :

Type : Water based nonflammable degreaser.
Color : Pink
Odor : Citrus
Flammability : Nonflammable
Storage : One year in original packaging if kept above freezing.
Packaging : 5 liters

WARNING :
